

Assess your culture ...

Name 5 of your values (you or your organization)

Name 5 key context realities (what's new?) Use the categories below as prompts, or ignore them.

Audience: _____

Art: _____

Society/politics: _____

Local/your community: _____

Infrastructure (people/assets): _____

Name 5 things that should be part of you culture to support the above.

Are they in your culture now?

What stands in your way?

How ready are you for change?

How does this affect your hiring strategies, process and decisions?
